

A Place to Belong. A Person to Become.

Hi, Gretchen:

College isn't just about hitting the books. It's about finding the place you belong. Hanover College provides a challenging and supportive community. A culture of discovery, exploration, dedication, scholarship and service.

Hanover is a beautiful environment and it's a place where beautiful minds thrive. I can honestly say that I've learned a lot about myself during my undergraduate career, and I'm confident in the person I have become.
